

Scruffy Eagle Lyrics

"WISHIN' YA' WELL"

Background Info:

This is from the "Havva Slice - Uh, Life" collection. Guitar chords were set almost as soon as the lyrics were written; i.e., they more or less happened together. I'm fairly sure the original version was created sometime in 1985... but, I didn't write it down, back then. The most recent update was in the creation of this document, on 02/08/09. I've made recorded copies available online, both in the amateur musicians binaries newsgroup, and on soundclick.com. You can hear the recorded copy for free, from soundclick.com's storage at Scruffy Eagle's pages at soundclick.com.

Your blue eyes
are like a mountain stream -
so cold, and yet so clear.

To see you now
is like a tidal wave -
you're far, and yet you're near.

And, you might be
a guru or something, ...
I don't know -
it's so hard, to tell.

And, you might be
a star or something, ...
A pushin' ya' long,
or a wishin' ya' well.

Oh, lah, da-dah, dah,
La-da, da-da, dah.
Lah, da-dah, dah,
La-da, da-da, dah.

In conclusion:

I hope you've enjoyed reading the lyrics of my song, "Wishin' Ya' Well". May it be a gift of spirit, as you journey through life.
