=====

I call myself names every day -
It's just a little game that I play.
I can't let myself think that I'm really okay,
So I make sure I call myself names.

My choices are just a little strange, every day,
While I follow the whims of the moment.
I can't do what I like, so I pick what I find -
And, selections end up kind'a strange
Every day.

It's good reason, to call myself names.

I'm not gonna share lots'a nasty words
For the world to use against me.
It's bad enough, that I think they're all right -
Every time I think about it, I wanna cry.

Doo, doo-doo, doo, doo
Doo-doo, doo, doo, doo

Boo-hoo, wah, wah!
Boo-hoo, wah, wah!

I call myself names every day -
And, suffer my loss of respect that way.
I can't help what I do; can't help what I say -
So, I make sure I call myself names
Every day.

Every day.
Every day.
