## "FACING A BIG DECISION"

### Background Info:

*This was originally composed as a "Beatnik" piece, meant to be sung w/ only my Yamaha DD-7 drum machine as accompaniment. (That's why this is categorized as being part of the "Beat My Nick" collection.) Later, guitar chords were decided upon, and a copy of that modified version was recorded. The original version was written 08/18/92. The most recent update was in the creation of this document, on 02/08/09. The only place I've ever made a recorded copy of this available online, was in the amateur musicians binaries newsgroup.*

I'm facing a big decision:  
Is it time to go where the cold winds blow?  
I'm frozen with indecision -  
Do I want to stay, or would I rather go?

When I look into her big, brown eyes,  
Knowing what I cause, then I realize that I'm  
facing a big decision. Facing a big decision.

I'm rushing into the morning,  
Wearing Angel-wings and a devil's cloak.  
I'm becoming another dawning:  
Am I serious, or am I just a joke?

When I look into her clear, blue eyes,  
Knowing what we've done, then I realize that I'm  
facing a big decision. Facing a big decision.

I'm under a heavy vision;  
Is it good to know what the future hides?  
I'm losing my inhibitions:  
Do I fool with Love? Are my actions wise?

When I look into her deep, green eyes,  
Knowing who we are, then I realize that I'm  
facing a big decision. Facing a big decision.

One hand's on my steering wheel, and one hand's in my lap.  
One hand holds my bible, and one hand grips my cap.

When I look into her cold stone eyes,  
Knowing I'm alone, then I realize that I'm  
facing a big decision. Facing a big decision.

With incense burning at her feet, and candles up above.  
Her worshipers must be discrete - it's ever so, with Love.

I've been living like a beggar:  
I work all day, simply to survive.  
I've been counting my buried treasure;  
If I left here now, would I ever arrive?

When I gaze into my Self at night,  
Find that I'm alone, then I realize that I'm  
facing a big decision. Facing a big decision.

**\*\*\* Repeat w/ fade:**  
Facing a big decision. Facing a big decision.
