

Scruffy Eagle Lyrics

"THANKS FOR THE RAIN"

Background Info:

This is from the "Havva Slice - Uh, Life" collection. I've recorded a couple of different versions of this song, but there's definitely one more to go before I can consider it finished - which, is why I haven't included the chords here. The earliest copy of this in my files is dated 07/02/01. The most recent update was in the creation of this document, on 08/09/09.

Rain, comin' down, strikes the ground.
Rain, fills the sky... don't know why.

But, thank you for this wonderful gift of life you bring.
Thank you for this cleansing rain, that sets my spirit free!

Crashing thunder, and flashing lights.
Darkened skies, and winds that wildly blow.
Elements in fury show the majesty, that everyone should know.

Rain, on my face, sets my place.
Rain, calms my mind - don't know why.

But, thank you for the chance to be here, in the pouring rain.
Thank you for the chance to feel some peace of mind again.

Walking through the windswept night,
Going nowhere, with nowhere to go.
Empty streets and sidewalks shine, dim in lamps
That hang from lonely poles.

Rain, fills my soul - makes me whole.
Rain, from above - feels like love!

And, standing in the pouring rain is what I really need.
So, thank you for this cleansing rain that sets my spirit free!

Everything I thought was right;
Who I was, and where I meant to go.
All I am is dreams - I wonder
If I'll ever find myself a home?

Here I am, and there you are -
Oh, my, my, ... rain!

In conclusion:

I hope you've enjoyed reading the lyrics of my song, "THANKS FOR THE RAIN". May it be a gift of spirit, as you journey through life.
